Activities for children and young people

Inclusion rating

This year each of our activities will have a coloured rating of what level of support they can provide for their participants. If you/your young person needs additional support, please use the guide below to better identify what level of support activities can provide. If unsure, please contact the provider for more information.

Key: Inclusion

- **Blue rating:** Sessions are open to all, and we can support individuals needing some additional assistance and adapt the activity accordingly, while expecting independent participation for most of the activity.
- **Green rating:** Session are open to all, and we can provide support to individuals with higher levels of need, although one-to-one support is not available. We strive to make reasonable accommodations to foster inclusivity.
- **Yellow rating:** The activity is designed to offer tailored support to individuals with high levels of need.

Summer 2026 – Haringey's Summer of Fun

As your new Cabinet Members for Children and Schools and Culture and Leisure, we are both honoured and excited to be working for the children, young people and families of Haringey, and striving to ensure future generations get the very best start in life.

We want to see children and young people continuing to grow up happy and healthy here in this borough we call home and it's one of our main priorities.

We're delighted to present to you our first-ever Summer Holiday Fun Booklet, which is jam-packed full of activities and events across our leisure centres, parks and museums – a large number of which are completely FREE or at low cost.

This summer, our programme gives lots of opportunities for children and young people to connect, socialise and get active within the borough to support their mental health and physical wellbeing.

From football, street gym, tennis and wheelchair basketball to culinary courses, forest schools and inclusive theatre, there is something for every child and young person to enjoy over the school break.

Our paddling pools and splash play areas are back in action this summer, giving you and the kids space to cool down and relax in Bruce Castle Park, Finsbury Park and Lordship Recreation Ground.

There's also our ever-popular 'Kids for a Quid' / £1 swim returning at Park Road* (*excluding the lido) and Tottenham Green Leisure Centres.

We are very proud to be continuing

the Holiday Activities and Food (HAF) programme, which has had an incredibly positive impact on communities and residents, providing activities and nutritious meals to children and young people aged five to 16 who are eligible for benefits-related Free Schools Meals (FSMs).

With excitement building for Haringey taking on the London Borough of Culture (LBOC) in 2027, there will be a number of arts and crafts sessions at Bruce Castle Museum and open days at Markfield Beam Engine and Museum to get you in the mood for next year.

We hope our summer offer will provide plenty of opportunities for our children and young people to enjoy themselves, excel and thrive.

All the information you need to know – including dates, locations and times – can be found in this guide, as well as details on how to book** (**if necessary) and whether any fee applies.

Additional activities and events can also be found on our website at: www.haringey.gov.uk/holiday-fun

Please don't forget to share your highlights with us on social media by tagging our account @haringeycouncil in your posts and tweets on Facebook, Instagram and X.

Have a fantastic summer!

HARINGEY HOLIDAY ACTIVITY AND FOOD (HAF) PROGRAMME

Haringey is offering a range of HAF clubs over the summer holidays.

All HAF clubs are completely free for young people who are eligible for benefits based free school meals during the holidays.

Delivered by trusted local organisations, the clubs offer a wide range of exciting physical and enrichment activities, along with a healthy and nutritious lunch for children across Haringey.

It's a great way to stay active, make new friends, and enjoy a fun-filled summer holiday.
