

General Information

Welcome back to a new school year!
The children have settled well into life in Year 1.

If you would like to talk about your child's progress, I am available after school at 3.45pm (excluding Tuesdays).

PE is on Tuesdays and Thursdays.

PE kits should be worn to school on PE days.

PE Kit: t-shirt in house colour, dark shorts/tracksuit bottoms/leggings, plimsolls/trainers, and **no hoop or dangling earrings.**

Homework

Homework is given out on **Friday** and returned on the following **Wednesday** for marking.

Children are also expected to read daily, learn spellings, number facts & times tables (2,5,10).

- 19.12.25 Last day of term (1.30pm)
- 06.01.26 Children return to school

Autumn Curriculum

English

Reading and writing

Children will read a range of fiction and non-fiction books. We will discuss their reading preferences. They will learn how to write words and simple sentences using capital letters and full stops.

Spelling and handwriting

Children will learn how to use phonic knowledge and segmenting skills to spell words. We will start to learn the year 1 common words—a list will be sent home for you to support your child in this.

Maths

In Maths our focus will be:

- Place value— counting and ordering 20
- Mental methods for adding and subtracting
- Learning number bonds /multiplication facts
- Naming and describing 2D shapes
- Measuring using a ruler

Science

Our topics are 'Who Am I' and 'Wonderful Weather'. The children will identify the basic parts of the human body and say which part of the body is associated with each sense.

The children will be learning about the four seasons and seasonal changes.

Art and Design

In Art and Design we will use different line types and mark-making techniques in drawing; while experiment with various media and responding to music. We will also explore the stability of structures and making a stable structure for a specific user.

Geography and History

In Geography we will be learning about the United Kingdom, finding out how to use a map to locate the different parts of the UK, and learn how to find Tottenham on a map.

In History we will be learning about transport through time.

Religious Education

We will be learning about Christianity and finding out what Christians believe about God.

Music

Children will be learning music through a scheme called Charanga. They will learn about pulse, rhythm and pitch, and learning songs which help us to develop our understanding of different features of music.

PSHE

We will be learning about happy and healthy relationships with our friends and classmates.

Computing

Developing awareness of technology around us and digital painting will be the focus of our learning in Computing.

PE

PE lessons this term will focus on fundamental skills and gymnastics that develop agility, balance and coordination.
