Message from the Head

Welcome back and Happy New Year! The children have had a great start to the New Year. In assembly we have been talking about resolutions and one of the whole school resolutions is to read for 20 minutes every evening. 2026 is also the National Year of Reading which encourages children and adults to enjoy reading more through stories, magazines, comics, websites etc. Today we are sending home a reading log for adults to sign when children have read for 20 minutes each day. When a whole week is completed, they can claim a prize. So let's 'go all in' for reading! Today, our Year 6 pupils went off to Wales for their outdoor education experience. We hope they have a fantastic time.

Spanish Day

Thursday 29th January 2026

We are celebrating the Spanish language and culture around the globe. Children will take part in learning the language, dances, making art and tasting the food!

Attendance Matters

High attendance at school means your child is making the most of every learning opportunity available to them. If they are in school, they are making progress and achieving academically and socially. Lots of research shows that young children learn most effectively when alongside their peers. Missing school means your child is missing out. The government has set all schools a target of 97%.
